LineLazer™ V ES 2000

LineDriver ES

LiveLook Display

## ► Applications & Materials

Need more output, dual gun capability and features from a battery-powered LineLazer? The LineLazer V ES 2000 is powered by the same high-output Lithium battery as the ES 1000 and is available as a Standard and HP Automatic series striper.

### ► LineLazer V Features & Benefits

#### No engine noise, Exhaust fumes and Vibration

- Complete any job at any time without production shutdowns or disruptions
- Reduce user fatigue while delivering perfect lines on all indoor and outdoor surfaces

#### Quiet, reliable Power

- Maintenance-free 12 V, 100 Ah Lithium battery
- Stripe immediately up to 325 liters per charge

#### LiveLook™ Display with SmartControl™

- Track, measure and control every aspect of your job
- Real-time information for the perfect lines

#### EZ Align Front Wheel System

- Simple front wheel alignment keeps unit tracking straight
- Intuitive design without needing any special tools

*Includes all Standard Series Features PLUS:*

### ► LineLazer V HP Automatic Series Features & Benefits

#### Automatic Paint Gun System

- Push button control for lower operator fatigue and accurate (skip-)lines
- Manual, semi- and automatic guns/mode

#### Auto-Layout™ II

- SmartControl™ measures while you walk and puts down pre-marks
- No need for measuring tape or string lines cutting
- Cuts your parking lot layout time in half

#### Valuable job information with J-Log System

- Onboard job information for proof of completion
- USB download allows you to capture all job data

See page 39 for more detail on 1- and 2-gun offering in Standard and HP Automatic Series
